Symposium

Immigration Symposium

March 2008

Description:

The Journal of Law, Economics and Policy will be presenting an Immigration discussion on Friday, March 28th from 1pm to 5pm at the Hilton Hotel Garden Inn located at 1333 North Courthouse Road in Arlington, Virginia. JLEP will be hosting four distinguished speakers as they debate the economics of immigration. This event is all about practical thinking and the future of immigration policy and laws. Given the increasing amount of publicity being focused on the immigration debate, JLEP is excited that this symposium is timely and will address the many economic factors associated with this debate. Law students, as well as practicing attorneys, are welcome to attend. A cocktail hour will follow the conclusion of the symposium.
